NO HYDROGENATED
FATS

A FAMILY PASSION

I founded GM Piccoli in 1988 together with my family.

Since then, we have been working with enthusiasm to continue to be the "talian Puff-pastry Excellence".

We are never satisfied: we want to create increasingly good and innovative products in terms of taste, design and nutritional aspects.

Our Collaborators, Suppliers and Distributors help us in this mission and we want to thank them for their support. Because, if you want to do good things, passion is the most precious raw material!
